Halo 45: Equestria

Master Chief looked up at Cortana. Saying she will not be with him anymore. What a lie! Then Master Chief fell asleep again.

Master Chief woke up to a heavy crashing noise of the space ship. He was falling down to a planet that looked kind of like earth, except different. Then Master Chief got up, grabbed his assault rifle and checked the ship for covenants. None. Then he walked outside, and saw all these blue, pink, yellow and purple ponies walking around talking. "What the hell, when did we go to little girl pony play place?" said Master Chief. "It is called Equestria." said Cortana. Then Master Chief saw a pink pony bouncing and went up to him. "HI MISTER WHAT IS YOUR NAM- YOUR NEW! LETS HAVE A PARRRRRRRRRRRTY!" said Pinkie Pie. "ummmm" said Master Chief. "Is there any covenants here?" asked Cortana. "Cove-what?" said Pinkie Pie. "You know aliens?" said Master Chief. "ALIENS NO NO NO NO NO THE END IS NEAR THE END IS NEAR!" screamed Pinkie Pie at the top of her lungs. "Lets just leave." Said Master Chief. Then Pinkie Pie started bawling.
